

PROGRAM DESCRIPTION

Riverside Public Utilities provides incentives for residential electric customers to purchase new high efficiency ENERGY STAR® qualified appliances.

PROGRAM GUIDELINES

- Rebates must be submitted within 90 days of purchase receipt date.
- This program is available to RPU residential electric customers.
- Items installed as part of new construction housing are ineligible for incentives.
- RPU reserves the right to determine product eligibility.
- RPU does not endorse or recommend specific brands, products or dealers nor does it guarantee material or workmanship; acceptance of such is the customer's responsibility.
- Appliances are subject to inspection for program compliance. Customer's failure to permit such inspections shall obligate the customer to repay the amount of the incentive received by the customer for that installation. The incentive amount shall be billed on the customer's regular utility billing from the City and shall be a part of customer's utility service charges payable to the City
- A copy of the dated sales receipt must be provided, and is subject to verification.
- There is an incentive cap of \$500 per customer, per calendar year.
- Incentives will automatically be refunded to the customers residential electric account.
- Program is subject to change without prior notification. Rebates are given on a first come, first served basis subject to fund availability.
